Paula's Clarkson's Bat Mitzvah

Dear Steve:

Ellen and I wish to thank you for all of your and your staff's efforts regarding the set up of the outdoor tent which we used to celebrate my daughter Paula's Bat Mitzvah at our house on March 6, 2004. All of my guests have told us that the tent was unique and distinguished our celebration from many others that they have attended over the years. The tent was everything you said it would be: large enough for all my guests, warm and cozy for a March day thanks to the heating systems you installed and dry, in spite of the heavy rains we had on that day. The floor you installed with the rug worked as well as you said it would. Also, the ramp you added for handicap accessibility was very much appreciated.

You and your staff made this day even more joyful because of your attentiveness and hard work.

Again, many thanks.

Very truly yours,

Charles Clarkson
