“What’s going on”

The mountains of snow seem like so very long ago. With the sweltering temperatures this summer climbing into the '90's on a regular basis dare I say it... we might actually miss some of that cold? But Miller's has been rocking and rolling since the beginning of the event season and we want to share some of those highlights with you.

The Graduation Trifecta from May 9th through May 15th

Again, we had the pleasure of participating in three very, large scale University Commencements and the events surrounding them. All three took place on the exact same weekend in May. Thousands of tables and chairs were set up, dozens of tents and stages erected and too many balloons to count were inflated. We are pleased to say that all went extremely well.

Graduation Celebrations

The beauty of the plethora of high school and college graduations is that they are usually followed up by fabulous graduation parties. Below is a picture of a graduation event we did in Colts Neck. Miller's provided a 40'x80' gable end frame tent, fully floored and carpeted complete with liner, specialty lighting and white dance floor. Lounge décor provided by [Kathy Goldstein events](#).

TLC's Four Weddings

Miller's was delighted to participate in a 225 person wedding in Bridgewater, NJ. This bride will be featured on TLC's show "[Four Weddings](#)". Miller's provided a 40'x80' all white pole tent, ceiling liner, center pole drapes, dance floor, tables, chairs and linens. Tune in to TLC's August 19th episode to see if "our" bride won!!!!

HBO's Entourage

Millers was proud to be a part of the spectacular season premier event of Entourage which was held at the Beacon Theater in NYC. Plenty of tenting, carpet, stanchions and ropes made this an unforgettable event. Plenty of celebrities were pictured on the Miller's Red Carpet.

“More amazing events”

Circle Line July 4th Celebration

The best seat in the house for this year's fireworks extravaganza was on one of 4000 Miller's Chairs on Pier 81 and 83 in Manhattan. There really was no better way to view the fireworks over the Hudson.

Lantern Lighting

Staying current with the latest trends is key to being able to service your clients to the fullest; especially in this competitive market. One of the latest tent accessories Miller's has really gotten involved with is lantern lighting. We offer a huge array of colors and sizes. We also offer the customer the option to illuminate the lanterns for evening events.

Get your Grill on!!!!

Miller's offers a full array of [grilling equipment](#). Why not rent a grill from Miller's for your next cookout and you can try this fabulous ribs recipe.

Pork ribs (any variety)

1 bottle barbeque sauce (I prefer Sweet Baby Rays)

1 c. Orange Juice

Mix together Barbeque Sauce and orange juice. Lay ribs in a baking pan and pour BBQ mixture over the top. The ribs should be nearly submerged in the BBQ mix.

Cover pan with foil and set oven to 250°F

Option 1: Cook for approx. 3 hrs (depending on amount of meat). Remove from pan and serve. The meat will be juicy and delicious and it should literally fall right off the bone. If you cook them this way they are EXCELLENT but its nearly impossible to eat them with your hands.

Option 2: Cook meat for about 2 hrs, remove from oven and transfer to hot grill. While on grill, continue to brush with BBQ mix from pan. They should only need a few minutes on each side. The BBQ sauce should get a bit crispy, and although the meat isn't quite as tender this way, they will still be quite tasty and much easier to serve and eat.
