

Our Dance Floor is rented in 3' x 4' sections. Each section rent for \$22.00 (parquet) or \$25.00 (Black/white).

The charts below will help you calculate the size and cost of the floor for are in need of.

We recommend allowing roughly 2 1/2 square feet per person for the dance floor.

For example for 100 people you would need 250 square feet.

This would translate into a dance floor 18' x 16' (288 square feet)

Popular sizes:

Size	Sq. ft.	persons	sections
12' x 12'	144	50	12
12' x 16'	192	75	16
16' x 18'	288	100	24
18' x 20'	360	150	30
21' x 20'	420	175	35

Easy formula: length x width = sq ft. divided by 2.5 = persons
